## 4. CONDUCT OF MATCHES

- Team colours will be worn at all games with cap numbers being 1 to 22 where 1 and 18 are always used for goalkeepers.

Note:

All teams must wear team coloured caps. This arrangement is to be in force for all NWPL games unless prior agreement is obtained from WPAL. **Teams must have two sets of contrasting caps in the colours of their team. Both sets of caps must be present at all games – both home and away.**

Should, in the opinion of the referees, the cap colours of both teams be deemed to be too close to enable clear distinction by the referees and players then the away (visiting team) shall wear their alternate set.

During the NWPL final series, the team ranked higher at the end of the rounds (that is prior to the finals) will retain their caps and the other team will change if necessary. However, should both teams agree to the home/higher ranked team changing caps instead of the away/lower ranked team, then this will be acceptable to the NWPL noting this agreement must be mutual and under no pressure.

The following cap colour exemptions are approved:

Adelaide Jets & KFC Qld Breakers are permitted to use Red caps.

Balmain Tigers are permitted to wear Gold with black trim caps.

- Costumes: All team members must wear the same coloured/ pattern costumes in club colours at all games. **National costumes must not be worn.**
- Coaches and team officials who occupy the team bench during games must be dressed in the same uniforms – preferably team uniform. There may only be a maximum of 3 officials and 6 players on the bench during any match.

This power to report a player, coach or team official extends to any conduct of a player, coach or team official directly or indirectly involving or concerning the NWPL or a game of the NWPL and includes but is not limited to any conduct committed within the thirty (30) minutes before or after a NWPL game.

### **5.6. Referee – Late Arrival or No Show:**

A list of mobile phone numbers for all referees and at least two club contacts including the coach will be prepared and provided to all clubs and referees.

In the event that an appointed referee is late for a match it is the NWPL Match Delegates responsibility (or in his/her absence the referee in attendance) to do the following in order:

1. Call the other referee or if no answer;
2. Call one/both Home team contacts or if no answer;
3. Call one/both Visiting team contacts - to advise of the delay and estimated time of arrival.

If fifteen minutes before any match one of the appointed referees has not arrived the NWPL Match Delegate (or in his/her absence the referee in attendance) is to attempt to contact the referee to ascertain estimated arrival time. If he/she cannot contact the referee - e.g. they may still be in a plane that has been diverted, out of mobile range etc. - then the following will occur.

The NWPL Match Delegate (or in his/her absence the referee in attendance) is to ascertain who, if any, qualified referees are at the pool. The most senior Referee generally should be used. The NWPL Match Delegate (or in his/her absence the referee in attendance) is to make the decision in consultation with both coaches. If there is a dispute then the NWPL Match Delegate (or in his/her absence the referee in attendance) is to decide.

If both referees do not arrive in time for the game then the NWPL Match Delegate is to consult with the Manager, Events and Competitions as to what action should be taken.

### **5.7. Post-Match Protocol:**

Team players/officials and referees may not discuss the match in any detail for at least a 30-minute "cooling off" period after each match. A simple thank you or acknowledgement from team officials/players is acceptable but they may not engage in any form of criticism/advice until the cooling off period has elapsed. A breach of this policy could result in a charge of bringing the game into disrepute being made against the player/manager /coach/referee.

The NWPL Match Delegate will approach the Head Coach of each team for feedback immediately the game has finished and certainly within 15 minutes of the conclusion of the match.

### **5.8. Referee Appointments:**

Referee appointments will be advised progressively through the season. Should any changes be required, referees should contact the Referees Appointment Officer as soon as possible

## **6. PLAYER ELIGIBILITY**

Team lists must be submitted each season by all clubs.

The following rules will apply to team lists:

### **6.1. Squads:**

The maximum size of a NWPL squad is 22 players. Each team may substitute Australian players however once a player has been taken off the list in this manner he/she cannot return to that list and is ineligible for the remainder of the season including finals. All additions/substitutions must be advised in writing by e-mail to WPAL at least 48 hours prior to a player being entitled to play in a match. Failure to do so will result in forfeiture for the offending team/s for the matches played in. WPAL will exercise discretion in exceptional circumstances which are beyond the club or players control should they arise – e.g. overseas transfer delay. Import players may not be substituted with another import player but may be substituted by an Australian player. When the import player is substituted in this manner they may not return to the squad during that season.

### **6.2. Team Nomination - Closing Date:**

Each team must nominate at least thirteen players, coach, manager, qualified table officials and team contact by cob Thursday 12<sup>th</sup> November 2015 via e-mail to WPAL. They must ensure that the '**NWPL Team Nomination Form**' (See section 15 - Forms) is completed and submitted. Failure to submit a list by the above date will incur a penalty of three competition points and a \$250 fine. If any team continues not to submit a list they will forfeit each match until they do so.

### **6.3. Cap Numbers:**

All players must be allocated a cap number when a squad or addition is notified. The player MAY NOT change cap numbers during the season. Goalkeepers will be number 1 and 18 ONLY. The reason for this rule is to ensure accuracy of programs, web site, media and player records as well as web cast. Where a squad has three or more goal keepers then cap changes will be permitted between goal keepers only.

### **6.4. Registration:**

All players, coaches, referees, and team and table officials must be registered members of a State Association and have obtained, if necessary, relevant international clearances before participating in the NWPL.

### **6.5. Transfers:**

Players transferring from one NWPL club to another during the off-season must ensure they are not in debt to the NWPL club they are leaving. Players must submit a '**NWPL Transfer Form**' (See section 15 - Forms) to the losing club by Thursday 5<sup>th</sup> November 2015 and WPAL by the Thursday 12<sup>th</sup> November 2015.

Transfer forms submitted after this date but prior to the commencement of the first game played by any team in the NWPL season will be accepted, however, Transfer Forms submitted after this date will be considered to have been received after the commencement of the season.

Failure to submit a Transfer Form will result in the forfeit of any games that the player competes in until such a form is submitted as detailed above.

This system is to be used for transfers from one NWPL club to another NWPL club only and does not replace any other transfer arrangements in place with WPAL or State Associations from time to time.

#### **6.6. Import Players:**

An import is a person who does not hold Australian Citizenship/Australian Passport.

A person who has made Australia their permanent place of residence for at least 24 months continuously and up to the commencement of the 2015/16 season will be considered to have obtained the status of a local player as long as they have not represented another country apart from Australia during that time. If they do represent another country in water polo at any time even after they have achieved local player status they will revert to the status of import and the two-year period of qualification will re-start. (Refer Minutes 23 Oct 2005).

Each team may have import players as follows:

- A team finishing in the top eight in the 2015 season is permitted two (2) import players
- A team finishing in the bottom four in the 2015 season is permitted three (3) import players

Imports must be in Australia and available to play before the 5<sup>th</sup> game of a team's schedule – i.e. for 80% of the season. Imports may not play in any games if they are not in Australia and available to play when the 5<sup>th</sup> game is played.

WPAL may consider exceptions to Player Eligibility upon application.

#### **6.7. Australian Player:**

An Australian player is a person who is not an import as defined above.

#### **6.8. Player Home Club:**

Players may only compete for one club during any NWPL season. Once a player has entered the water during a NWPL match they are deemed to be a member of that club for the entire season.

#### **6.10 Player Milestones:**

Player milestone recognition is an important part of the NWPL culture. To acknowledge this, a standard tankard or goblet will be provided by the NWPL for the following milestones:

NWPL Games Played:

- MEN 100, 200, 300, 400, 500
- WOMEN 100, 200, 300, 400, 500

The NWPL will maintain the official record of games played. Player details including name and milestone will be published on the WPAL website

## **7. POINTS SYSTEM**

### **7.1 The following points system will be used during the home and away rounds:**

Win – 3 points – where one team has more goals scored than the other at the end of normal time – i.e. 4 quarters of play.

Draw – 2 points - where both teams have the same number of goals scored at the end of normal time – i.e. 4 quarters of play.

Loss – 1 point - where one team has less goals scored than the other at the end of normal time – i.e. 4 quarters of play.

Bonus Point – 1 point – to a team that wins a penalty shoot-out after a game has been drawn.

Disqualification/Forfeit – 0 points – (0-5 goal score)

Win on Disqualification/Forfeit – 3 points – (5-0 goal score)

No Result – 2 points each team – no goals recorded.

## **7.2 Matches that cannot be commenced or finished (No Result Matches):**

Where any scheduled match cannot start or be concluded in the scheduled time, the match will be declared a “no result” and both teams will be awarded 2 points with no goals scored. The game will be listed as a draw on the points table.

The Pool Manager is the final authority to decide on safety issues, e.g. weather conditions or pool equipment failure, that effect if a match can start or be concluded.

If a match has not started and the two teams involved can re schedule the match or find an alternate venue that is suitable to both teams and is approved by the Manager, Competitions and Events then the game will be rescheduled.

Where the match is called off by the referees for judiciary reasons – e.g. Melee, - the game will be referred to the NWPL Judiciary for consideration.

Circumstances where a match that has not been concluded but can have a result declared is as follows:

Where a match has finished the third quarter then a result can be declared by the NWPL Appointed Match Delegate based on the following model. If there is no NWPL Appointed Match Delegate in attendance the matter will be referred to the Manager, Events and Competitions for a decision. For a team to be declared the winner they must be leading by the score detailed below at or after the elapsed time:

End of 3rd quarter: 7 goals

4th Quarter- 6 minutes remaining: 6 goals:

4th Quarter- 4 minutes remaining: 5 goals:

4th Quarter- 2 minutes remaining: 4 goals:

4th Quarter- 1 minutes remaining: 3 goals:

NWPL Appointed Match Delegate may also award the match to one of the clubs should he/she consider the non-finish of the match was caused deliberately by either club noting that any such decision is subject to appeal by either team involved in the match and that the NWPL Appointed Match Delegate must publicise his reasons for such a decision. If there is no NWPL Appointed Match Delegate in attendance the matter will be referred to the Manager, Events and Competitions for a decision.

## **8. FINALS SERIES**

### **8.1. Positions after home and away games:**

Teams will be allocated positions at the end of the home and away games based on the total number of points accumulated during the season from all matches with points awarded as per Section 7.

If two or more teams are equal on points at the end of the home and away games the following will be used to determine rankings.

**Where two teams are equal on points** at the end of the regular season then the following will be used to rank the teams. The first consideration will be the result between the two teams over both games played during the season.

1. Firstly the total table points earned by each team over the two games played between the teams during the regular season with the team with the highest number of points being ranked higher, if that is level then

2. The team with the most wins over the two games played between the teams during the regular season is ranked higher, if that is level then
3. The combined goal difference over the two games played between the teams during the regular season with the team with the better goal difference (determined by total for minus total against over the two games including any penalty shoot-out goals) being ranked higher, if that is level then
4. The team with the highest number of wins over the entire season against all teams being ranked higher, if that is level then,
5. The team with the better goal difference over the entire season against all teams (determined by total for minus total against over all games including any penalty shoot-out goals) being ranked higher, if that is level then
6. The away team in the fixtures between the two teams during the season will be awarded the higher ranking.

**Where three or more teams are equal on points** at the end of the regular season then the following will be used to rank the teams. The first consideration will be the results of all games between the teams on equal points played during the season. Note should at any point during the determination of ranking process the number of teams remaining to be ranked total two then the process listed above for two teams on equal points will be used to determine those two teams ranking.

1. Firstly the total table points earned by the teams over all games played between the teams during the regular season with the team with the highest number of points being ranked higher, the team with the second highest number of points ranked next and so forth, if that is level then
2. The most wins earned by teams over all games played between the teams during the regular season with the team with the highest number of wins being ranked higher, the team with the second highest number of wins ranked next and so forth, if that is level then
3. ## **9. CODE of CONDUCT**

The league and all clubs, officials, coaches, referees and players will observe WPAL’s Code of Conduct and such other policies as are adopted by WPAL from time to time.

Water Polo Australia has introduced the policy of Think, ACT, Play for all its competitions including the NWPL. Clubs are responsible for the conduct of their games in accordance with the principles of Think, ACT, Play. The manual for Think, Act, Play can be accessed at the WPA Web Site at this link: <http://www.waterpoloaustralia.com.au/think-act-play/>

In addition to the above all clubs are required AT THE START OF EACH SEASON to ensure all players, officials and persons associated with the club have read and understand the following:

*“WPAL will not accept foul play of any kind in the NWPL. Players who commit dangerous foul play with the intent of damaging a player’s person are not welcome in our sport. We support fair play and remind players that a sport is to be enjoyed and is not a vehicle to damage other person bodies.”*

## **10. JUDICIARY**

The following judiciary policy will apply to all matches.

### **10.1. Players, Coaches and Team Officials:**

Players, coaches and team officials ejected from a match, or otherwise reported pursuant to Clause 5.2, have two options:

10.1.1 Accept the decision and the following suspensions:

**10.1.1.1.** Except in the case of assault of a referee or match official (including threat to assault) the number of offences for players, coaches and team officials relates to the current season and the previous season only. Suspensions carry over.

**10.1.1.2.** If a player, coach or team official is suspended for a fourth offence in any two season period as described above regardless of what the previous offences were then

he/she shall be suspended for the higher of a minimum of 12 matches or whatever the offence would normally incur as a 3<sup>rd</sup> offence.

- 10.1.1.3.** If a player, coach or team official is suspended as a result of a misdemeanour, then that suspension applies to that gender in all activities and roles of the NWPL. A suspended player/coach/team official cannot extinguish that suspension in another role in a match in the other gender.

<b>FOR PLAYERS</b>	
<b>CHARGE</b>	<b>POINTS</b>
Misconduct – Disrespect/ Disobedience/Other Grade 1 Grade 2	50 100
Misconduct – Violence Grade 1 Grade 2	50 200
Brutality No Grading	400
Assault of Official (including Threat to Assault) No Grading	1 year - Life

<b>FOR COACHES/TEAM OFFICIALS</b>	
<b>CHARGE</b>	<b>POINTS</b>
Red card	100

A points system determines the penalty incurred by the reported player, coach or team official. For every 100 points accumulated by the offender over a two season period, a penalty of 1 game suspension applies. Points continue to accumulate for a two season period and the points from the previous season are only extinguished at the end of the current season.

Example:

Player A - Disrespect Grade 1 - 50 points (50 accumulated points) - no suspension.

Player A - Violence Grade 2 - 200 points (250 accumulated – 50 points carry over) - serves a 2 game suspension.

- 10.2 Should a player/coach/official or other party not wish to accept the mandatory penalty then the case will be referred to the WPA Disciplinary Tribunal in accordance with the WPA Disciplinary and Tribunal Rules – see: [http://waterpoloaustralia.com.au/wp-content/uploads/2015/06/Disciplinary\\_and\\_Tribunal\\_Rules\\_.pdf](http://waterpoloaustralia.com.au/wp-content/uploads/2015/06/Disciplinary_and_Tribunal_Rules_.pdf)

10.3 Chairman of Judiciary Panel: Andrew Ryan

10.4 WPA Counsel: TBA

## 11. PROTESTS/APPEALS

All Protests/Appeals will be conducted in accordance with the WPA – the procedures are detailed on the WPA Web Site – follow this link: <http://www.waterpoloaustralia.com.au/about-us/policies-procedures-reports/general-policies-procedure/>

## 12. TRAVEL PROCEDURES

All teams must use the ‘**Travel Names Notification Form**’ (See section 15 - Forms).

Teams must make themselves aware of the conditions of the cheaper fares now being accessed by the NWPL and be aware of the additional costs they will incur if the rules are not followed.

### 12.1. Travel procedures home and away rounds

WPA/NWPL pays for the 13 cheapest tickets at reasonable times on the days of travel for all round games.

Clubs pay for all additional tickets and changes made to the original booking.

WPA/NWPL will determine the cheapest air travel for all road trips for the coming season in July 2015. The quote through MP Travel will be the basis for calculating the NWPL contribution to each clubs air travel.

Clubs will open an account with MP Travel and be responsible for all extra costs, provision of names and any changes.

It was agreed that in July 2015 each club will decide and advise what day they wish to travel and whether they wish to adopt the above system of dealing directly with the travel agent or remain in the system used in the 2015 season.

### 12.2. Travel Allowance Finals Series

Travelling teams will be allowed up to fifteen (15) air tickets per away trip. These airfares will be aggregated and equalised over all the league teams. Booking procedures will follow procedures as per 12.1.

### 12.3. Travel Allowance - Newcastle

Teams travelling from Newcastle to Sydney and Sydney to Newcastle will be paid \$1,100 incl. GST as a Travel Allowance.
