### **Team List Upload (SportsTG)**

Team lists with cap numbers must be uploaded to SportsTG by Sunday 17<sup>th</sup> September 2017. All teams have now been created in SportsTG (formerly Fox Sports Pulse/Sportingpulse) in your club in your state database. The team is linked to our competition and has been created in the national association. Teams are listed in the following format: Brisbane Barracudas 16U Boys 2017, Brisbane Barracudas 16U Girls 2017 etc. Please input your team list and cap number - this must be completed as soon as possible and no later than Sunday 17<sup>th</sup> September 2017 - I have extended the time limit for completion as we have been delayed by team and player eligibility issues. If you have not done this before there will be someone in your club that has - alternatively your club registrar will know how the system operates and failing that please speak to your state water polo office.

### **Seeding and Draw Changes:**

Dear Clubs please note the following changes:

1. There is a new national seeding and therefore group redistribution – please read carefully. The reason for the new seeding is the withdrawal of teams and the formation of composite teams.
2. The draw has been amended to ensure Western Australian teams do not play the first or second games on days 1 and 2. This is to assist with the time difference of 2 hours based on the young age of the athletes.

## Photography and Team Photos

Teams wishing to order official team and individual photographs at the 16 & Under Nationals can fill in the photo ordering form attached and send it directly to our official sports photographer Paul Seiser at [paul@spaimages.com.au](mailto:paul@spaimages.com.au)

Please note WPA has an exclusive contract with Paul and no other person may take photographs from pool deck during a WPA event – this is official WPA Policy.
