Welcome Message from Albury and Wodonga Mayors

On behalf of the Albury-Wodonga community, AlburyCity and Wodonga Council welcome all spectators and competitors for the National Under-14 Girls Water Polo Championships.

The twin cities have a proud history of hosting many prestigious sporting events across a range of sports and we are thrilled to be selected as one of three venues to host national junior club championships over the next five years.

More than 35,000 men and women in Australia are playing water polo, with the Ovens and Murray Water Polo Association having the largest membership base in Australia, including capital cities.

With former players such as Renae and Tania Burdack, as well as Simon Gould all hailing from this region, and several young players already on national lists, we look forward to seeing a new crop of elite-level players emerge from Albury-Wodonga over the time that the championships are held here.

We hope you are able to experience the many things Albury, Wodonga and the region have to offer.

For things to do and places to see, please call in to our visitor information centre – at the Albury railway station on Young St in Albury; the friendly staff will be more than happy to help you.

While visiting Albury-Wodonga, I encourage you to visit some of our wonderful local, regional, and nationally recognised attractions, cultural precincts, and our great range of cafes and restaurants. And of course a visit to this region wouldn't be complete without taking time to enjoy the wonderful Lake Hume.

More information about visitor attractions and travel offerings can be found at visitalburywodonga.com

We take this opportunity on behalf of our fellow councillors and our communities to wish you well during your stay on the Border.

We look forward to the high quality of sport and great viewing you will provide throughout this competition.

Wodonga Council Mayor Cr Anna Speedie
