

**PLAYER REQUEST FOR PARTICIPATION IN DRAFT
COMPETITION TEAM LIST FORM
NATIONAL AGED CLUB CHAMPIONSHIPS**

WPA DRAFT POLICY AND RULES

The player draft is managed by WPA. Where a player applies to be in the draft then the player must apply to the State Sporting Organisation (SSO) to be included in the draft. The player must supply a short resume and contact details on the appropriate form by the publicised closing date.

Teams who have **11 or less** players will be permitted to select a maximum of three players from the draft. Clubs with multiple team entries in any championship will only be allowed to draft players to the bottom ranked team. Composite teams will not be allowed to draft players.

The National Competitions Manager will decide the order of draft selection and team allocation.

Any player/s who is/are under the age of 18 as at the start of any tournament may only be drafted by another club (i.e. any other club regardless of where located) if both the guardian and club representative sign the WPA consent document and lodge it with Water Polo Australia at least one week prior to the commencement of the tournament.

The document will include acknowledgement by the parent/guardian that they have contacted the relevant club and are in agreement with the terms and conditions of the participation in the team of their child/dependant. The document must also include a statement by the club representative that they have contacted the parent/guardian, explained the conditions of participation in the team and that the club guarantees that the coach, assistant coach, team manager and any other team staff **have a current working with children clearance/s and have sighted such clearance/s.**
